

South Dakota Disability Cultural Competence Community of Practice Project ECHO Series

The primary goal of this Project ECHO series is to increase the knowledge, skills, and strategies in providing culturally responsive person and family-centered care for individuals with disabilities and to understand the positive contributions of individuals with disabilities and their families to our communities.

Register in advance via the following link:

https://usd.zoom.us/meeting/register/tJApdOirqjgtH9yb_2Qi2eWckO0lIFgo94q-

After registering, you will receive a confirmation email containing information about joining sessions. Register once and you can attend any of the sessions. Join each session via Zoom from your internet-enabled device.

Certificates of attendance will be provided for attendees.

For more information email cd@usd.edu

This project is supported by the Centers for Disease Control and Prevention of the U.S. Department of Health and Human Services (HHS) as part of a financial assistance award totaling \$37.4 million with 100 percent funded by CDC/HHS. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by CDC/HHS, or the U.S. Government. Federal money funded 100 percent of this project as a total cost of up to \$45,000.00
