What did you like best about the program?

I liked the message best. People should have their expectations challenged more often.

What will you tell others about Ben D. Anderson's presentation?

More people should see Ben's presentation even if it makes them uncomfortable (maybe especially if it makes them uncomfortable)

Anything else you would like to share?

I liked the part about everyone having some kind of disability. What does it say about the the people who cope by keeping it hidden?
