What did you like best about the program? Our students got to meet you and realize that ~~just because a person has a disability,~~ a disability doesn't define the person.

What will you tell others about Ben D. Anderson's presentation?

Mr. Anderson is very open with his presentation and willing to answer any/all questions.

Anything else you would like to share?

I think our younger students would have liked to know more about your childhood, the experiences you've had, and how you handled difficult situations.
